

## **Finding God's Hand in Our Everyday Lives**

**In this book, the author shares her personal "Journey with God": In faith, Lise has chosen to share, in an easy-to-read and sometimes humorous style, her own day-today experiences taken from stories about her family life and her on-going spiritual growth. Her hope and prayer is that the reader will be able to identify and relate to her stories and discover God's Presence and His love in their own personal lives!**
